## **Warren Robotics Team #829 Annual Recognition Night**

On Thursday May 8<sup>th</sup>, the Warren Robotics Team held its 5<sup>th</sup> annual recognition night. 20 student members and 12 adult volunteer/mentors were recognized for their contributions to the team.

Senator Pat Miller and Representative Larry Buell were in attendance. They spoke on the importance of studying engineering and praised everyone for their involvement in the program. Senator Miller presented a Certificate of Achievement from the Indiana Senate to everyone on the team.

Highlights of the Boilermaker and West Michigan Regional competitions were shown followed by refreshments.

Warren Robotics will be competing in the Indiana Robotics Invitation (IRI) July 21<sup>st</sup> and 22<sup>nd</sup> and will be at the Marion County Fair in July operating the ice tent. This will be the fourth year the team will be selling ice to the vendors at the Fair as a fundraiser.
